HOUSE BILLS

Extent: 16 cubic ft. (40 Hollinger boxes)

Arrangement: Bill number order

Scope and Content

This series contains legislative bills submitted to the House by its members for consideration. Only a fraction of the introduced bills found here were actually agreed upon and passed as law. Records contain the author of the bill, date of submission, action taken, committee assigned to view the bill, and date of passage if approved. Also included are fiscal notes, amendments, conference committee reports, correspondence, and all versions of the bill. A gap between House Bills 19-26 is apparently for bill numbers never assigned.

HOUSE RESOLUTIONS

Extent: 0.2 cubic ft. (1 partial Hollinger box)

Arrangement: Resolution number order

Scope and Content

This series contains House (non-courtesy) resolutions, which deal with the operation of the House and do not require the approval of the governor. They are numbered in the same series as courtesy resolutions but are kept separate because of their administrative rather than commemorative nature. Examples include resolutions notifying the Senate and Governor that the House is now in session, giving permission for use of the House chamber, and establishing House committees.

Arrangement: Alphabetical and thereunder by bill number order

Scope and Content

This series contains Senate roll calls, which record votes taken by the Senate on both Senate and House bills and resolutions. Also found in this series are daily attendance roll calls. For bills and resolutions, roll call records list all the members of the Senate, how they voted, the date, and the vote totals. Not all bills and resolutions came to a vote, so there are many gaps in the sequence of numbers.

RECORDS OF SPECIAL SESSION

Extent: 0.6 cubic ft. (1 Hollinger box and 1 partial)

Arrangement: Alphabetical

Scope and Content

This series contains records of the special session of the 1st Regular Session of the 91st General Assembly, including the combined Veto Session (September 12) and 1st Extraordinary Session (September 5 - 14). Veto sessions, which are mandated by Article III, Section 32, of the Constitution of Missouri, occur when the governor vetoes a bill or resolution too late in the regular session for the Senate to give it their consideration. The governor can also call the General Assembly into session to consider special legislation. However, besides considering vetoed and proposed gubernatorial legislation, the House and Senate also conduct other business while in session. Records are similar to those found in the regular session and, in this case, include the proclamation and special message calling the General Assembly into session, House and Senate bills and resolutions, committee reports, messages, and roll calls.
