Montrose Oct 3rd 1842

Dear Brother

I learn that the
Jo Smith is taken again. Some say
the Mormons have themselves taken
him for the purpose of getting the reward
but others that the Officers from Quincy
have taken him. He has gone to Carthage
to day is to have a trial tomorrow. The
Mormons think the Judge will
~~let~~ set ^{him} at liberty I shall go to Carthage
this evening if I can get over the
River In haste

Yours LC
