CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important. AGE should be stated EXACTLY. PHYSICIANS should state

1947

1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from widespread poverty and that the government is unable to provide for the basic needs of the people.

2. The second part of the report deals with the political situation. It is noted that the government is unable to carry out its policies and that the country is in a state of political instability. The report also mentions that the government is unable to maintain law and order and that the country is in a state of chaos.

3. The third part of the report deals with the social situation. It is noted that the population is suffering from widespread poverty and that the government is unable to provide for the basic needs of the people. The report also mentions that the government is unable to provide for the education and health care of the people.

4. The fourth part of the report deals with the economic situation. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the government is unable to provide for the basic needs of the people.

5. The fifth part of the report deals with the international situation. It is noted that the country is in a state of isolation and that the government is unable to maintain relations with other countries. The report also mentions that the government is unable to provide for the basic needs of the people.
