***Pursuant to Executive Order 21-07, 11 CSR 70-2.010, section (5) was suspended from April 14, 2020 through August 27, 2021.*

Op. Atty. Gen. No. 132, Russell (7-18-79). Ethanol used solely as a fuel for motor vehicle purposes is not a section 311.020, RSMo "intoxicating liquor." Also, manufacturers of ethanol for fuel purposes need not be licensed under Chapter 311, RSMo if the ethanol is denatured by some means.

Op. Atty. Gen. No. 37, Mueller (1-17-79). Wines used as part of religious services are not "for beverage purposes" since they are not being consumed for the mere pleasure of drinking or for physical

or mental exaltation. Therefore, these "sacramental wines" are not intoxicating liquors as defined in Chapter 311, RSMo.

(10) Every applicant for a liquor license of any kind will present all applicable items listed on the checklist of requirements that corresponds to the application form as prescribed by the supervisor of Alcohol and Tobacco Control. (11) Every applicant for a liquor license of any kind must provide written notice to the supervisor of Alcohol and Tobacco Control if any fact or information changes from what is set forth in the application. Failure to provide written notice of such changes may be cause to deny the application or to discipline any license issued pursuant to the application.

(D) No license may be issued to any premises that includes,

in whole or in part, the licensed premises of a current licensee. Where an applicant wishes to be licensed to operate on a premises that includes, in whole or in part, the licensed premises of a current licensee, the applicant must provide documentation showing that the current licensee either no longer owns or has a lease to operate out of the licensed premises or has agreed to surrender the premises in question to the applicant for the applicant's exclusive use. This regulation does not apply to any applicant seeking a temporary license, except for temporary licenses issued under section 311.095, RSMo.

Brown-Forman Distillers Corp. v. Stewart, 520 SW2d 1 (Mo. banc 1975). Separate licenses are required for every phase of the liquor traffic and manufacturers, wholesalers and retailers are statutorily categorized as distinct separate phases thereof. The statutes indicate a legislative intent to preclude a licensee in one phase of the liquor traffic from controlling traffic in liquor in its entirety.

Pinzio v. Supervisor of Liquor Control, 334 SW2d 20 (1960). A review of the statutes makes it clear that the legislature has vested sole discretion in the supervisor (of liquor control) to issue or refuse to issue each license, whether one of original issue or a renewal and that a hearing is not an essential prerequisite to the lawful exercise of that sole discretion. Failure to hold a hearing prior to the refusal to issue a denial of due process is in violation of the pertinent provisions of the state and federal constitutions.

State ex rel. Floyd v. Philpet et al., 266 SW2d 704 (Mo. banc 1954). The exclusive authority to determine whether statutory qualifications for an applicant for a state license to sell intoxicating liquor at retail had been met and the authority to issue such licenses is vested in the state supervisor of liquor control.

(8) Licensees are responsible for ensuring that the contact information for all persons listed in the application on record with the division is accurate and current.

11 CSR 70-2.040 Manufacturers, Wholesalers and Distributors

PURPOSE: This rule defines credit and advertising items allowed to be provided to retailers by manufacturers, wholesalers, and distributors.

(1) Except as provided in section 311.070, RSMo, no retail licensee, directly or indirectly, may accept any loans, equipment, money, credit, or property of any kind, except ordinary commercial

credit. Except as provided in section 311.070, RSMo, no retail licensee may permit any distiller, wholesaler, wine maker, solicitor, brewer or employees, officers, or agents, under any circumstances to have any direct or indirect financial interest in his/her retail business for the sale of intoxicating liquor, and s/he shall not accept, directly or indirectly, from a distiller, wholesaler, wine maker, solicitor, brewer or its employees, officers, or agents any loan, gift, equipment, money, credit, or property of any kind except ordinary commercial credit for intoxicating liquor sold to the retailer. A retailer may accept, to properly preserve and serve draught beer and to properly preserve and serve draught wine, only equipment and services as allowed in section 311.070, RSMo.

(A) A sale by a licensed wholesaler to a licensed retailer of intoxicating liquor at a price which is less than the cost of the intoxicating liquor to the licensed wholesaler making the sale is presumed (subject to rebuttal as set out in this rule) to constitute a gift of money or property to the licensed retailer in violation of this regulation and sections 311.060 and 311.070, RSMo.

(B) The word cost as used in this regulation means the actual invoice charge for the merchandise by the supplier of the merchandise to the wholesaler, manufacturer, brewer, or solicitor, plus the cost of transportation to the wholesaler and all federal and Missouri excise taxes and custom duties allocable to the merchandise.

(C) The presumption may be rebutted by reasonable proof that the fair wholesale market value of the intoxicating liquor in question is less than the cost of intoxicating liquor to the wholesaler selling the same, and has been designated as close-out merchandise pursuant to section 311.335.3, RSMo and 11 CSR 70-2.190(2)(D). A licensed wholesaler may not use close-out pricing as an inducement for retailers to purchase other intoxicating liquors.

(2) No distiller, wholesaler, wine maker, solicitor, brewer or employees, officers, or agents of same may, directly or indirectly, pay any fee rental or other consideration to any retail licensee for the use of any part of the licensed retail premises for advertising any brand name of distilled spirits, wine, or malt liquor, or for the purpose of advertising the name, trademark, or trade name of any marker of the trademark.

(3) Except as provided in section 311.070, RSMo, no distiller, solicitor, wholesaler, wine maker, brewer or their employees, officers, or agents, directly or indirectly, may give or offer to give any financial assistance, gratuity, or make or offer to make any gift of their products to any retail licensee.

Chilton v. Wright, 480 SW2d 1 (1972). Two agents testifying that they removed 44 bottles of liquor from licensee’s premises suspected to be refills in violation of rules and regulations because some appeared to be overfilled and some had worn strip stamps on their necks, along with testimony of expert chemist, was competent substantial evidence that the licensee possessed refilled bottles in violation of rules and regulations 13(c) (now

covered by 11 CSR 70-2.130(6)). But evidence of “several different brands of liquor—the bulk of it was in half-pints and pints” and the geographical location of the retail outlet and its proximity to known “dry” states did not constitute substantial evidence that the licensees had reasonable cause to believe that their customers purchased liquor for purposes of resale in violation of rule 13(d) (now 11 CSR 70-2.130(4)).

11 CSR 70-2.140 All Licensees

PURPOSE: This rule establishes additional rules for the conduct of business in all establishments licensed by the supervisor regarding inspection, recordkeeping, storage, employment, sales, gambling, consumption by minors, and other aspects of enforcement of Chapter 311, RSMo.

(1) Licensees are at all times responsible for satisfying and maintaining the qualifications for licensure in section 311.060, RSMo. Failure to do so may result in disciplinary action by the state supervisor.

(2) Licensees are at all times responsible for ensuring that the following individuals understand their responsibilities and obligations under Chapter 311, RSMo, and the regulations promulgated thereunder: the licensee; the managing officer, if applicable; any owners, shareholders, members, or partners; or any employee or agent who serves, sells, distributes, or furnishes intoxicating liquor on behalf of the licensee; and any third parties hired, contracted, or otherwise authorized by the licensee to serve, sell, distribute, furnish, or otherwise promote the sale or consumption of intoxicating liquor.

(3) Licensees are at all times responsible for the conduct of their business and at all times are directly responsible for any act or conduct of any employee or agent on the premises or acting within the scope of their employment or agency relationship, and for any third parties hired, contracted, or otherwise authorized by the licensee to provide services or entertainment to customers or patrons which is in violation of the Liquor Control Law or the regulations of the supervisor of alcohol and tobacco control.

(4) Improper Acts.

(A) Licensees and their employees shall maintain an orderly business and take immediate, reasonable steps to prevent or suppress any violent altercation, quarrel, or illegal activity on or about the licensed premise.

(B) Licensees and their employees shall not engage in illegal, violent, or improper conduct, permit the use of the licensed premises for illegal activities, nor allow any indecent, profane, or obscene literature or advertising material upon the licensed premises.

(C) In the event that a licensee or his/her employee knows or should have known that an illegal or violent act has been committed on or about the licensed premises, they are obligated to immediately report the occurrence to law enforcement authorities and cooperate with law enforcement authorities and agents of the Division of Alcohol and Tobacco Control during the course of any investigation into an occurrence.

(D) This regulation applies to all areas on or about the licensed premise, including areas that have been rented to or reserved for temporary use by third parties.

(5) The licensed premises and all portions of the building

of the premises, including all rooms, cellars, outbuildings, passageways, closets, vaults, yards, attics, and all buildings used in connection with the operations carried on under the license and which are in the licensee’s possession or under its control, and all places where the licensee keeps or has liquor stored, may be inspected by the supervisor of alcohol and tobacco control and his/her agents at any time to ensure compliance with and enforcement of the provisions of Chapter 311, RSMo, and the regulations promulgated thereunder. Licensees shall cooperate fully with the agents during the inspections.

(6) All licensees shall keep complete and accurate records pertaining to their businesses. Such records include a complete and accurate record of all purchases and of all sales of intoxicating liquor made by them. These records are to include the names and addresses of all persons from whom the liquor is purchased, the dates, kinds, and quantities of the purchases and the dates and amounts of payments on account. They also should include the daily gross returns from sales.

(A) All licensees are to keep all records pertaining to their business, including but not limited to files; books; papers; state, county, and city licenses; and accounts and memoranda pertaining to the business conducted by them, on the licensed premises. Except for state, county, and city licenses, electronic records may be kept in lieu of hard copies, but must be readily accessible.

(B) All records required to be kept by law or rule of the supervisor shall be kept and preserved for a period of two (2) years from the date the record was made, unless otherwise specified in statute.

(C) The supervisor of alcohol and tobacco control or his/her duly authorized agents and auditors, may inspect, audit, or copy such records at any time.

(D) If a licensee maintains additional records not required by this section, such as audio, video, telephonic, written, or otherwise transcribed records, the licensee shall maintain complete and accurate records relevant to acts that are subject to administrative action against liquor licenses for a period of fifteen (15) business days, or until those records are turned over to the supervisor of alcohol and tobacco control or other law enforcement agency with competent jurisdiction, whichever is sooner. The duty to maintain such records begins when the licensee knows or should know that such an act has occurred on the licensed premise, or has been notified by the supervisor of alcohol and tobacco control or any other law enforcement agency that there is a pending investigation regarding the licensee’s conduct.

(7) Whenever units of measurement are set forth in the Liquor Control Law or the regulations promulgated thereunder, they are to be interpreted in accordance with their common usage in the imperial system and the metric system.

(8) Only one (1) person, partnership, or entity may be licensed by the supervisor to operate out of any particular premises.

(9) If any premises has multiple licenses for separate businesses in the same building or complex, then the building or complex shall be partitioned in a manner that the partitions run from the front of the building to the rear of the building, from the ceiling to the floor and be permanently affixed to the ceiling, floor, front, and rear of the building in a manner as to make separate and distinct premises for each licensee. Each licensee shall have a separate entrance and different street addresses, so as to indicate sufficiently that the businesses are

run separately and distinct from each other. In addition, the business maintained on each of the premises shall be manned and serviced by an entirely separate and distinct group of employees and there may be no buzzers, bells, or other wiring or speaking system connecting one (1) business with the other. Separate files, records, and accounts pertaining to the businesses are to be maintained.

(10) If the division sends a written inquiry or request to a licensee at its address currently registered with the division, the licensee must respond in writing within thirty (30) days of the date of the division's written inquiry or request. Failing to provide a written response, withholding records, documents, or information relevant to the division's inquiry or request, or providing false information on a written response may result in disciplinary action.

(11) No licensee may buy or accept any warehouse receipt unless the seller or donor of the receipt first acquires the written permission of the supervisor of alcohol and tobacco control to sell or give away the receipt.

(12) No licensee may have consigned to him/her, receive or accept the delivery of, or keep in storage any intoxicating liquors upon any premises other than those described in his/her license without first having obtained the written permission of the supervisor of alcohol and tobacco control.

(13) No wholesale or retail licensee may sell or possess any spirituous liquor in any package or container holding less than fifty (50) milliliters (1.7 ounces) or more than one (1) gallon. No wholesale or retail licensee may sell or possess any wine in any package or container holding less than one hundred (100) milliliters (3.4 ounces) or more than fifteen and one-half (15 1/2) gallons.

(14) Requirements for employing minors –

(A) Licensees who desire to employ persons under the age of twenty-one (21) as authorized by section 311.300, RSMo, may apply to the supervisor using forms provided for that purpose; and

(B) Licensees who employ persons under the age of eighteen (18) may not allow those employees to sell, serve, or dispense, or assist in the sale, service, or dispensing of intoxicating liquor. Employees under the age of eighteen (18) may not stock intoxicating liquor, arrange intoxicating liquor displays, accept payment for intoxicating liquor, sack intoxicating liquor for carryout, or otherwise handle intoxicating liquors.

(15) No person licensed by the supervisor of alcohol and tobacco control may allow upon his/her licensed premises any self-service, coin-operated, mechanical devices, or automatic dispensers for the purpose of selling or dispensing intoxicating liquor except as pursuant to section 311.205, RSMo.

(16) Any licensee may sponsor or allow promotional games, raffles, and similar contests to be conducted upon his/her licensed premises, provided that –

(A) The consumption of intoxicating liquor shall not be related to or an element of a promotional game, raffle, or similar contest either directly or indirectly;

(B) Intoxicating liquor may not be a prize of a promotional game, raffle, or similar contest either directly or indirectly.

1. Any licensee conducting a promotional game, raffle, or similar contest must notify any winners and recipients of cash

prizes, gift cards, coupons, discounts, or other similar prizes that those prizes exclude the purchase of intoxicating liquor.

2. No licensee may knowingly accept cash prizes, gift cards, coupons, discounts, or other similar prizes from a promotional game, raffle, or similar contest hosted by a licensee for purchases of intoxicating liquor;

(C) The conduct or playing of games on premises approved by the Missouri Gaming Commission to conduct games in accordance with Chapter 313, RSMo, does not constitute gambling or gambling activities when the games are conducted in accordance with Chapter 313, RSMo, and the activity, by itself, does not constitute a violation of this regulation;

(D) The sale of state lottery tickets or shares on premises licensed by the lottery commission to sell lottery tickets or shares to the public does not constitute gambling or gambling devices when conducted in accordance with Chapter 313, RSMo, and the activity, by itself, does not constitute a violation of this regulation;

(E) The giving of door prizes or other gifts by lot or drawing after payment of a price by members or guests of a charitable organization which has obtained an exemption from payment of federal income taxes as provided in Section 501(C)(3) of the *Internal Revenue Code* of 1954 does not constitute gambling or gambling devices when conducted on a licensed premises by the charitable organization; and

(F) The promotional game, raffle, or similar contests complies with all other aspects of Missouri law.

(17) No licensee may employ on or about the licensed premises any person who has been convicted since the ratification of the twenty-first amendment of the *Constitution of the United States* of a violation of the provisions of any law applicable to the manufacture or sale of intoxicating liquor; or any person who has had a license revoked under Chapter 311, RSMo, unless five (5) years have passed since the revocation of the license.

(18) No licensee, his/her agent, or employee may sell or supply intoxicating liquor in any place other than that designated on the license or at any other time or in any other manner except as authorized by the license. Order of and payment for any intoxicating liquor must be made directly to the licensee. For the purpose of this regulation, deliveries of intoxicating liquor previously purchased shall not constitute supply.

(19) No licensee, his/her agent, or employee may permit anyone under the age of twenty-one (21) years of age to consume or possess intoxicating liquor upon or about his/her licensed premises.

(20) No licensee, his/her agent, or employee may allow upon or about the licensed premises solicitation for the purposes of prostitution or other immoral activities by any person.

(21) No licensee, his/her agent, or employee may possess, store, sell or offer for sale, give away, or otherwise dispose of upon or about the licensed premises or permit any person upon or about the licensed premises to possess, store, sell or offer for sale, give away, or otherwise dispose of any controlled substance as defined in Chapters 195 and 579, RSMo.

(22) No licensee, his/her agent, or employee may mix or pour, or permit to be mixed or poured, any intoxicating liquor directly into any person's mouth upon or about the licensed premises.

(23) No licensee shall use exterior signage or advertising that

does not accurately reflect the licensee's legal name, business name or d/b/a, or trade name as stated on the state liquor license or on file with the division.

(24) Any licensee wishing to appeal any disciplinary action imposed by the state supervisor in accordance with section 311.691, RSMo, must do so before the effective date of the disciplinary order.

(25) The expiration, cancellation, revocation, reversion, surrender, or termination in any manner of a license does not prevent the initiation or completion of any disciplinary proceeding against the licensee for actions that occurred prior to the expiration, cancellation, revocation, reversion, surrender, or termination in any manner of the license.

State ex rel., Glendinning Co. v. Letz, 591 SW2d 92 (Mo. App. 1979). The Supervisor of Liquor Control may prohibit gambling on licensed premises by rule despite the general preemption language contained in the criminal code at section 572.100, RSMo.

Op. Atty. Gen. No. 178, Wilson (10-18-79). A person convicted of supplying intoxicating liquor to a minor does not necessarily violate section 311.060, RSMo (regarding licensing) or 11 CSR 70-2.140(13) (regarding employment).

State ex rel. Letz v. Riley, 559 SW2d 631 (Mo. App. 1977). Despite the issuance by the attorney general of a "no action" letter stating that certain games in theory were not violative of Chapter 563, RSMo, the doctrine of equitable estoppel was not available to support an injunction restraining the supervisor of the Division of Liquor Control from enforcing Liquor Control Regulations 15(k) (prohibiting any licensee from allowing any sort of gambling upon licensed premises) and 25 II(c)(1)(g) (restricting advertisement of intoxicating liquor and nonintoxicating beer).

Op. Atty. Gen. No. 167, Moran (7-7-66). A licensee of the Department of Liquor Control is not violating the rules and

regulations of the department by having on his/her licensed premises a pinball machine of the type designated by federal statute as a gambling device per se and requiring a \$250 Coin-Operated Gaming Device Stamp but on which the machine only awards free games for replay. It is a violation of regulation 15(1) (now covered by 11 CSR 70-2.140(12)) of the rules of the Department of Liquor Control if patrons using the pinball machines are actually paid off in money or merchandise by the liquor licensee or if patrons using the pinball machines actually wager money or property among themselves on the outcome of games played and the licensee allows such gambling.

11 CSR 70-2.150 Tax Credits and Refunds

PURPOSE: This rule establishes procedures for refund of unused licenses and receiving tax credits on intoxicating liquor.

(1) Any licensee who pays more taxes on intoxicating liquor than what they actually owed may request a tax credit to apply to future payments of taxes on intoxicating liquor.

(A) Every licensee who requests a tax credit for Missouri tax on intoxicating liquor shall present requests to the supervisor of alcohol and tobacco control and attach to the request a complete statement, under oath, as to the facts supporting the request.

(B) After the tax credit request is accepted for audit by the supervisor and the claimant has been notified of the acceptance, then an inspection can be made by the supervisor or his/her agents. The agents shall make an affidavit that they inspected the intoxicating liquors denoting in the affidavit the brand, number of the containers or cases, and the disposition to be made of the spirituous liquor, wine, or malt liquor.

(C) Under no circumstances shall tax credit requests be accepted by the supervisor if the sole reason for their presentation to him/her is because the claimant has purchased beyond his/her capacity to sell.

(D) The supervisor shall not accept tax credit requests filed more than ninety (90) days after the date listed on the underlying invoice(s) for the request.

(E) The supervisor reserves the right to refuse any or all tax credit requests presented.

(2) Any person who obtains a liquor license, and does not use the license at all, may request a refund of license fees.

(A) The supervisor shall not accept partial refund requests for unused portions of licenses.

(B) The supervisor shall not accept refund requests filed more than ninety (90) days after the expiration date on the license.

11 CSR 70-2.170 Warehouse Receipts for Storage of Intoxicating Liquor

**Original authority: 311.660, RSMo 1939, amended 1989.*

PURPOSE: This rule defines warehouse receipts and establishes rules governing their use in business practices.

(1) The term warehouse receipt, as used in section 311.380, RSMo, is defined to mean any warehouse receipt issued for the storage of intoxicating liquor which can be negotiated and any nonnegotiable warehouse receipt which can be assigned, transferred, or sold.

(2) Any person or entity licensed by the supervisor of Alcohol and Tobacco Control to sell intoxicating liquor may pledge any warehouse receipt(s) owned by him/her to secure the payment of any debt to any person or entity in Missouri. Any Missouri state bank or trust company which is a member of the Federal Reserve System and any national bank with its principal office in Missouri may repledge with a federal reserve bank any warehouse receipts of which it is the pledgee.

(A) In case of default in the terms of the pledge agreement, the pledgee or the assignee of the pledge agreement may not negotiate, assign, transfer, or sell any warehouse receipt(s) without first obtaining the permission of the supervisor of Alcohol and Tobacco Control to do so.

(B) Request for permission can be submitted by the pledgee to the supervisor of Alcohol and Tobacco Control in writing and include the name of the proposed purchaser and whether or not the proposed purchaser intends to take possession of the liquor under the receipt(s). Under no circumstances may permission be given to the pledgee to sell any of the warehouse receipt(s) to any person or entity which intends to take possession of intoxicating liquor described in the receipt(s) unless the proposed purchaser is duly licensed as a wholesaler or manufacturer by the supervisor of Alcohol and Tobacco Control in Missouri.

(C) The pledgee seeking the permission to sell the warehouse receipt(s) should accompany the request by a copy of the pledge agreement and a copy of the warehouse receipt(s) which s/he desires to sell, together with an inventory of the liquor covered by the receipts, unless the inventory is contained in the receipts.

(3) Under no circumstances may any person or entity licensed by the supervisor of Alcohol and Tobacco Control import or cause to be imported or transport or cause to be transported into the state any intoxicating liquor which has been sold out of the state to satisfy the payment of any debt contracted outside of the state.

(4) No person or entity may be granted permission to sell warehouse receipts and no licensee of the supervisor of Alcohol and Tobacco Control may be given permission to purchase any warehouse receipt(s) unless the person or entity seeking permission, either to sell or to buy, agrees as a condition precedent to the granting of any permission that s/he shall make regular monthly reports for each calendar month by the fifteenth of the following month in accordance with forms designated by the supervisor of Alcohol and Tobacco Control. Any permission given will be promptly revoked unless the reports are made.

11 CSR 70-2.180 Ceded Areas

PURPOSE: This rule exempts from tax and license fees in areas ceded to the federal government for military installations.

(1) Licenses are unnecessary for the retail sale of intoxicating liquor for establishments located on lands within the state ceded to the federal government for military purposes and upon which military installations exist or for United States military federal instrumentalities.

(2) No excise nor inspection fees may be imposed on any intoxicating liquor sold or offered for sale by establishments located on lands within the state ceded to the federal government and upon which military installations exist.

**Original authority: 311.660, RSMo 1939, amended 1989.*

11 CSR 70-2.190 Unlawful Discrimination and Price Scheduling

PURPOSE: This rule establishes procedures for price posting, deliveries, return of merchandise, and discounts.

(1) This regulation applies to spirituous liquor and wine products containing alcohol in excess of five percent (5%) by weight sold by a duly licensed wholesaler to a duly licensed retailer.

(2) For the purpose of this rule, substantively identical products refers to products that are indistinguishable from one another and products where the UPC or barcode is the only distinguishing factor.

(3) Product Pricing Information.

(A) The product pricing information is to be made available to retailers five (5) days prior to the last day of the month and include the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(B) Supplemental pricing information is to be made available to retailers when a new product, new size, or new proof is added by a wholesaler during the month and not subject to change before the first of the month when regularly filed product pricing information is effective. A wholesaler is allowed to sell such items to retailers immediately upon production of such supplemental information. Supplemental pricing information includes the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(C) The wholesaler may sell at any price for any item as long as it is sold above their cost and they sell all substantively identical products at the same price to all retailers as indicated on their product pricing information.

(D) Close out items should be identified as such on the

product pricing information that is made available to retailers at prices which may be below the wholesaler's costs for not less than six (6) consecutive months during which time the wholesaler may not purchase further inventory. The wholesaler should not use close out pricing as an inducement for retailers to purchase other intoxicating liquors.

(4) Discounts.

(A) The wholesaler may grant any discount up to one (1) percent for quantity of spirituous liquor and wine and one (1) percent for payment on or before a certain date.

(B) Quantity discounts. A quantity discount may be granted only for quantities of two (2) or more. If a price is listed for bottles only, then a quantity discount may be allowed on quantities of two (2) or more bottles. If a price is listed for both bottles and cases, then a quantity discount may be allowed only on quantities of two (2) or more unbroken cases. Quantity discounts may be graduated but not exceed the maximum one percent (1%).

(C) Discounts for time of payment. A discount for time of payment may be granted only for 1) payment for time of delivery, 2) payment on or before ten (10) days from the date of delivery, or 3) payment on or before fifteen (15) days from the date of delivery.

(D) The combination of discounts to be posted on the product pricing information are as follows: No discount, one percent (1%) for time of payment, one percent (1%) for quantity discounts, or one percent (1%) for time of payment and one percent (1%) for quantity.

(E) No person licensed to sell spirituous liquor and wine at retail may accept any discount, rebate, free goods, allowances, or other inducement from any wholesalers except the discount for payment and quantity discount on or before a certain date.

(5) Case Size. For the purpose of this regulation, a case of spirituous liquor or a case of wine is declared to be a cardboard, wooden, or other container, containing bottles of equal size filled with spirituous liquor or wine of the same brand, age, and proof. The following table depicts the number of bottles considered to be a case of various bottle sizes for both the English and metric systems of measure, for pricing purposes:

Size of Bottle	Number of Bottles per Case
Less than 8 oz.	48, 60, 96, 120, 144, 192 or 240
8 oz. up to, but not including, 10 oz.	48
10 oz. up to, but not including, 21 oz.	24
21 oz. up to, but not including, 43 oz.	12
43 oz. up to, but not including, 85 oz.	6
85 oz. up to, but not including, 128 oz.	3, 4, 6
128 oz. or more	2

(A) The Universal Coding of Alcoholic Beverages for Products by container size is to be used to code the bottle size. An item is declared to be either a bottle or a case of spirituous liquor or wine scheduled as required;

(B) All sizes less than one-half (1/2) pint or eight (8) ounces under the English system of measure are defined as miniatures. Under the metric system of measure, miniatures are defined as fifty (50) milliliters (1.7 ounces) for spirituous liquors and one hundred (100) milliliters (3.4 ounces) for vinous liquors. Acceptable case sizes for miniatures are 240, 192, 144, 120, 96, 60, and 48 bottles. Miniatures may be sold in only one (1) case size for each bottle size sold; and

(C) If a spirituous liquor or wine product is packaged by the manufacturer in a bottle quantity for that bottle size exceeding one (1) bottle but either more or less than the case quantity for the bottle size listed in section (4), a wholesaler may sell that package for a total price that reflects the same per bottle price as the per bottle price in the posted case price, if the wholesaler's invoice specifies the quantity in the package.

(6) The price to retailers, except retailers operating railroad cars, should include federal custom duties, internal revenue taxes, state excise tax, bottling and handling charges, and the cost of delivery to the retailer. The price to retailers operating railroad cars may be scheduled at a price "ex state excise tax," but shall include all other taxes and costs computed in prices to other retailers. No charge(s) may be made in addition to the price except that on past due accounts there may be imposed a finance (interest) charge in accord with that permitted by law. Provided, however, that if a wholesaler elects to impose a finance (interest) charge on past due account the charge shall be of uniform rate to all retailers and imposed on all retailers who have past due accounts.

(7) Delivery. Any brand of spirituous liquor or wine sold to a retailer is to be shipped to and received by the retailer at the price in effect for that calendar month in which the delivery occurs. Delayed shipment orders may be taken the last five (5) days of the month and delivered in the first five (5) days of the following month.

(8) Returns. Merchandise returns exceeding seven (7) days from delivery date may not be accepted for return from a retailer, except pursuant to a court order or with prior approval from the supervisor for any of the following reasons:

(A) The merchandise delivered does not conform to the merchandise ordered, whether an error was made at the time the order was taken or when the merchandise was delivered. Requests to return merchandise delivered in error should be submitted to the supervisor within thirty (30) days of the original invoice; or

(B) The retailer is abandoning the retail liquor business.

(9) Breakage, Samples, Expenses. As part of its regular books and records, each wholesaler licensed to sell spirituous liquor or wine is required to keep a monthly record of all allowances for breakage containing the name, address, and license number of the customer, the amount of breakage allowance, and the date and number of the invoice of sale for which allowance is given. No allowance for breakage may be given unless the broken bottle is returned to the seller within seventy-two (72) hours after delivery. Broken bottles are to be kept available on the wholesaler's licensed premises for inspection by representatives of the supervisor and may not be removed from the licensed premises or destroyed except with permission from the supervisor.

(10) Posting of Contraband Spirituous Liquors and Wines Purchased from Supervisor. Bottles or cases of spirituous liquor or wine as described in section (4) which have been declared contraband and purchased by a wholesaler from the supervisor or the officer who seized the same under the provisions of sections 311.820 and 311.840, RSMo, or by a wholesaler from a wholesaler who so purchased the same, may be posted by the wholesaler at prices less than other spirituous liquors and wines of the same brand, age, and proof. When the spirituous liquors and wines are so posted, the pricing is to

be accompanied by a writing on which the spirituous liquors and wines are exactly described and the quantity(ies) available for purchase set forth and upon sale of all or any part of the quantity a copy of the invoice shall be sent to the supervisor upon the day it is prepared. Only spirituous liquors and wines so purchased by a wholesaler may be sold at the posted prices.

(11) Discriminatory Agreements.

(A) No person holding a license as a manufacturer-solicitor or outstate solicitor of spirituous liquor or wine may enter into or participate in any combination or agreement with any person holding a license as a wholesaler for the sale of spirituous liquor or wine which restrict the customers to whom the wholesaler may sell merchandise which s/he owns.

(B) No person holding a license as the wholesaler for the sale of spirituous liquor or wine may enter into or participate in any combination or agreement with any person holding a license as a manufacturer-solicitor or outstate solicitor of spirituous liquor or wine, which restricts the customers to whom the wholesaler may sell merchandise which s/he owns.

(12) Universal Numeric Codes on Invoices. The Universal Numeric Code for Alcoholic Beverages and Missouri's brand number is to be used to code all wines on all invoices written by any manufacturer, vintner, solicitor, and/or wholesaler licensed by the Division of Alcohol and Tobacco Control of Missouri; this includes invoices written by wholesalers to retail licensee. In addition, the descriptive data for spirituous liquors and wines includes the age or vintage, proof or percent of alcohol by weight, class and type, and brand name. Missouri wholesalers are to include brand name, age, and proof for spirituous liquors and vintage for wines on all invoices to retailers when the vintage creates a cost differential for the same type of wine. Any failure of any person, firm, or corporation licensed under any provisions of Chapter 311, RSMo, to comply in all respects with the rules and any violation by any licensee of these rules may be deemed to be cause for the revocation or suspension of the license of the offending licensee.

11 CSR 70-2.240 Advertising of Intoxicating Liquor

PURPOSE: This rule allows manufacturers of intoxicating liquor to offer consumer rebate coupons and clarifies the advertising regulation as it applies to the advertising of sales price below cost.

(1) No person engaged in business as a producer, manufacturer, brewer, bottler, importer, wholesaler, or retailer of intoxicating liquor, directly or indirectly, may publish or disseminate or cause to be published or disseminated any advertisement of intoxicating liquor unless the advertisement is in conformity with this regulation.

(2) The term advertisement includes any dissemination of information by print, audio or video means, whether through the media or otherwise, including but not limited to radio, television, motion pictures, newspapers, Internet, email, texting, website, mobile applications, magazines or similar publications or other printed or graphic matter, or any electronic means, except that the term shall not include –

(A) Any label affixed to any container of intoxicating liquor or any individual covering, carton, or other wrapper of a container; and

(B) Any editorial in any periodical or publication or newspaper for the preparation or publication of which no money or other valuable consideration is paid or promised, directly or indirectly, by any person subject to these regulations.

(3) Mandatory statements include –

(A) The name and address of the producer, manufacturer, bottler, brewer, importer, wholesaler, or retailer responsible for its publication;

(B) A conspicuous statement of the class and type or other designation of the product, corresponding with the complete designation which appears on the brand label of the product;

(C) The alcoholic content stated in the manner and form in which it appears on the labels of intoxicating liquor advertised;

In the case of neutral spirits or of gin produced by a process of continuous distillation, the name of the commodity from which the neutral spirits or gin have been distilled substantially in the manner and form in which this statement appears on the labels of the distilled spirits advertised;

(E) Where an advertisement does not mention a specific

product but merely refers to a class of intoxicating liquor (such as whiskey or beer) and the advertiser markets more than one (1) brand of intoxicating liquor of that class, or where the advertisement refers to several classes of intoxicating liquor (such as whiskey, brandy, rum, gin, liqueur, wine, beer, etc.) marketed under a single brand, the only mandatory information prescribed by section (1) applicable to advertisement would be the name and address of the responsible advertiser; and

(F) Advertisements by retail establishments which merely refer to the availability of intoxicating liquor in these establishments, but which otherwise make no reference to a specific brand of intoxicating liquor are subject only to the prohibited statements provisions of section (5) of this rule.

(4) Statements required by these regulations to be stated in any written, printed, or graphic advertisement should appear in lettering or type of a size, kind, and color sufficient to render them both conspicuous and readily legible. In particular –

(A) Any statement, design, device, or representation that is false or misleading, including any false or misleading statement that creates an impression about the effects of alcohol consumption on health, and any false or misleading statement that explicitly or implicitly disparages a competitor's product. This does not prevent truthful and accurate comparisons between products or statements of opinion;

(B) Any statement, design, or device representing that the use of any intoxicating liquor has curative or therapeutic effects or tending to create an impression that it has curative or therapeutic effects;

(C) Any statement, design, device, or representation which is obscene, indecent, or conveys a derogatory connotation; and

(D) Any statement that the product is produced, blended, brewed, made, bottled, packaged, sold under or in accordance with any authorization, law, or regulation of any municipality, county, state, federal, or foreign government unless the statement is necessary or specifically authorized by the laws or regulations of the government and, if a municipality, county, state, or federal permit number is stated, the permit number shall not be accompanied by an additional statement relating to it.

(6) No advertisement may contain any statement concerning a brand or lot of intoxicating liquor that is inconsistent with any statement on the labeling.

(7) No advertisement may contain any statement, design, device, or pictorial representation of or relating to, or capable of being construed as relating to, the armed forces of the United States or of the American flag, any state flag, or of any emblem, seal, insignia, or decoration associated with any such flag or the armed forces of the United States; nor may

any advertisement containing any statement device, design, or pictorial representation of or concerning any flag, seal, coat of arms, crest, or other insignia, likely to falsely lead the consumer to believe that the product has been endorsed, made or used by, or produced for or under the supervision of or in accordance with the specifications of the government, organization, family, or individual with whom the flag, seal, coat of arms, crest, or insignia is associated.

(8) No advertisement for distilled spirits may contain –

When any statement, design, or device concerning age or maturity is contained in any advertisement, it shall include (in direct conjunction with the advertisement and with substantially equal conspicuousness) all parts of the statement concerning age and percentages, if any, which appear on the label. However, an advertisement for any whiskey or brandy that does not bear a statement of age on the label or an advertisement for rum which is four (4) years or more old may contain general inconspicuous age, maturity or other similar representations, for example aged in wood, mellowed in fine oak cask.

(9) No advertisement for wine may contain –

(A) Any statement of bonded winery or bonded winery numbers unless stated in direct conjunction with the name and address of the person operating the winery or storeroom. Statement of bonded winery and bonded winery numbers may be made in the following form: “Bonded Winery No...,” “Bonded Winery No...,” “B.W.C. No...,” or “B.W. (B) Any statement, design, device, or representation which relates to alcoholic content or which tends to create the impression that a wine is unfortified or has been fortified or has intoxicating qualities or contains distilled spirits except for a reference to distilled spirits in a statement of composition where the statement is required by these regulations to appear as a part of the designation of the product.

(10) No statement of age or representation relative to age (including words or devices in any brand name or mark) may be made, except that –

(A) In the case of vintage wine, the year of vintage may be stated if it appears on the label; and

(B) Truthful references of a general and informative nature relating to methods of production involving storage or aging, for example “This wine has been mellowed in oak casks,” “Stored in small barrels,” or “Matured at regulated temperatures in our cellars,” may be made.

(11) The statement of any bottling date is not deemed to be a representation relative to age, if the statement appears without undue emphasis in the following form: “bottled in”

(inserting the year in which the wine was bottled).

(12) No date, except as provided in this section and section (11) of this rule with respect to statement of vintage year and bottling date, may be stated unless, in addition to the year and date and in direct conjunction with the year and date, in the same size and kind of printing, an explanation of the significance of the date is stated. If any date refers to the date of establishment of any business, this date is to be stated without undue emphasis and in direct conjunction with the name of the person to whom it refers.

(13) No advertisement may represent that the wine was manufactured in, or imported from, a place or country other than that of the actual origin or produced or processed by one who was not in fact the actual producer or processor.

(14) No retail licensee may advertise for sale any brand of intoxicating liquor unless s/he has the particular brand and size of container or package of intoxicating liquor in his/her licensed premises for sale.

(15) No wholesale licensee may allow any sign owned by him/her or advertising his/her product to be placed or allowed to remain on or upon any building unless the building has an occupant holding a license issued by the supervisor.

State ex rel. Letz v. Riley, 559 SW2d 631 (Mo. App. 1977). Despite the issuance by the attorney general of a “no action” letter stating that certain games in theory were not violative of Chapter 563, RSMo, the doctrine of equitable estoppel was not available to support an injunction restraining the supervisor of the Division of Liquor Control from enforcing Liquor Control Regulation 15(k) (prohibiting any licensee from allowing any sort of gambling upon licensed premises) and 25II(c)(1)(g) (restricting advertisement of intoxicating liquor and nonintoxicating beer).

Milgram Food Stores, Inc. v. Ketchum, 384 SW2d 510, (Mo. App. 1965) cert. denied, 382 U.S. 801. Regulation 15(f)(5) (now covered by 11 CSR 70-2.240(2) and (5)(G) and (H)) prohibiting the advertisement of intoxicating liquor which offers any coupon, premium, prize, rebate as an inducement to purchase such intoxicating liquor, did have a reasonable relation to and in accord with the provisions and purposes of the Liquor Control Law; and that rule is not unreasonable, arbitrary and capricious as claimed by the respondent, as to “free” Santa Claus covers offered in advertisement with purchase of certain liquors, this fell within prohibited practices and suspension of respondent’s license for twenty-five (25) days was not unreasonable.

11 CSR 70-2.250 Salvaged Alcoholic Beverages

PURPOSE: This rule establishes licensing and procedure for disposal of salvaged alcoholic beverages.

(1) Intoxicating liquors which are damaged in this state as a result of flood, wreck, fire, or similar occurrence may be sold for salvage.

(2) Intoxicating liquors so salvaged may be sold to a Missouri licensee, upon the approval of the supervisor under the following terms and conditions:

(A) Application shall be made to the supervisor for authority to sell distressed merchandise in Missouri including the name of the person desiring to sell the merchandise, the nature of the damage, a description of the merchandise, and whether the contemplated sale is to be to a Missouri licensee;

(B) The distressed merchandise is to be examined at the scene of the occurrence, as soon as practicable, by a representative of the Department of Health and Senior Services and the sale is not to be approved by the supervisor until notified by the representative that the merchandise is fit for human consumption;

(C) Written approval and release for the sale of distressed merchandise cannot be issued until an inspection of the distressed merchandise is made by an agent of the Division of Alcohol and Tobacco Control who will determine whether the merchandise is within the meaning of this regulation and that all Missouri taxes have been paid; and

(D) No merchandise may be sold under this regulation where the original packages have been so damaged so as to render the label on the package not within the requirements under 11 CSR 70-2.060(1).

(3) Intoxicating liquors so salvaged are referred to as distressed merchandise.

(A) Each container of intoxicating liquors sold pursuant to this regulation shall bear a label, to be provided by the Division of Alcohol and Tobacco Control, certifying the merchandise as distressed merchandise.

(B) No distressed merchandise salvaged outside of the state may be imported into Missouri for sale pursuant to this regulation.

11 CSR 70-2.260 State of Emergency

PURPOSE: This rule establishes authority for the supervisor of liquor control when a state of emergency is declared.

(1) Whenever, pursuant to the Constitution and laws of Missouri, the governor or acting governor of this state declares a state of emergency, calls out the organized militia or any portion or individual of the militia to execute or ensure obedience to law or declare a state of martial law in any section of this state, all persons, partnerships, or entities licensed under the laws of Missouri to sell, dispense, or otherwise deal with intoxicating liquor, upon notice from the supervisor of Alcohol and Tobacco Control, announced publicly or delivered personally, are to suspend further business under the licenses issued to the persons, partnerships, or entities until the time as the supervisor determines and so informs the licensees that the proclamation of emergency or crisis as issued by the governor or acting governor has been terminated, provided

that the supervisor of Alcohol and Tobacco Control may specify the geographical limit within the state within which area the licenses shall be suspended.

11 CSR 70-2.270 Transfer and Registration of Lines or Brands of Spirituous Liquor and Wine

PURPOSE: This rule provides procedures for a supplier of spirituous liquor and wine to remove and/or create any additional distributor or any line or brand of product.

(1) The term supplier, as used in this regulation, means any person, partnership, or entity licensed as a manufacturer, distiller, vintner, rectifier, solicitor (or any employee or agent of the solicitor) which distributes wine or spirituous liquor to duly licensed wholesalers in this state.

(2) The term wholesaler, as used in this regulation, means any person, partnership, or entity (or any employee or agent of the enterprise) licensed to sell wine or spirituous liquor to duly licensed retailers in this state.

(3) No supplier may encourage, solicit, cause, or conspire with a wholesaler to evade or disobey any laws or regulations of the state of Missouri relating to intoxicating liquor. No supplier may, directly or indirectly, threaten to remove or remove a line or brand from a wholesaler because of the refusal or failure of the wholesaler to evade or disobey any laws or regulations of Missouri relating to intoxicating liquor. Nor may any supplier, directly or indirectly, threaten to or create an additional distributorship in retaliation against a wholesaler who refuses to evade or disobey any laws or regulations of Missouri relating to intoxicating liquor.

(4) All suppliers are to register with the supervisor of Alcohol and Tobacco Control the lines, brands, or both of alcoholic beverages which they handle and distribute in this state, as well as each wholesaler assigned to the supplier's distribution. No supplier may add an additional line, brand, or wholesaler without first filing a statement under oath with the supervisor and with every other wholesaler affected. The statement shall contain the following:

(A) The name of each line or brand of spirituous liquor or wine which they will handle and distribute in this state and the anticipated date upon which the distribution of the line or brand is to begin;

(B) A certification that this additional line or brand is not being added in collusion with any supplier in retaliation against another wholesaler who refuses to evade or disobey any laws or regulations of Missouri relating to intoxicating liquor; and

(C) Prior to making any sale of any additional line or brand, each wholesaler shall comply with all other requirements relating to the posting of wholesale prices.

(5) Prior to removing a line or brand from one (1) wholesaler and/or prior to creating an additional distributorship on a line or brand, suppliers are to file with the supervisor a statement

under oath containing the following:

(A) The name and address of each wholesaler to whom a line, brand, or both is being transferred or added;

(B) The name and address of each wholesaler from whom a line or brand is being removed;

(C) The name of each line or brand to be removed, transferred, or added; and

(D) A certification that this removal, transfer, or creation of an additional distributorship is not in retaliation against any wholesaler who refuses to evade or disobey any existing laws or regulations of Missouri relating to intoxicating liquor.

(6) A copy of this statement shall at the same time be delivered by mail or personal service to every wholesaler affected.

AUTHORITY: section 311.660, RSMo Supp. 2024. This version of rule filed April 16, 1975, effective April 26, 1975. Amended: Filed Oct. 10, 2018, effective May 30, 2019. Amended: Filed Aug. 1, 2024, effective March 30, 2025.*

Brown-Forman Distillers Corp. v. Stewart, 520 SW2d 1 (Mo. banc 1975). Regulation 28, permitting supervisor of liquor control to prohibit the transfer of a brand or the creation of a dual distributorship absent the showing of a good business reason, (“without reasonable cause, which cause must be submitted to the supervisor of liquor control in writing”) the employment of “reasonable cause” in regulation 28 renders it invalid and void because the language used is so sweeping and broad that it clothes the supervisor with arbitrary power that is incompatible with the test of “reasonableness” and it is “inconsistent” with the objectives of the Liquor Control Law and the legitimate evils sought to be eliminated.

11 CSR 70-2.280 Standards for Using Minors in Intoxicating Liquor Investigations

PURPOSE: This rule establishes standards for the use of minors in intoxicating liquor investigations by a state, local, municipal, or other local law enforcement authority.

(1) On-site Investigations. The following are standards for the use of minors in intoxicating liquor investigations by a state, county, municipal, or other local law enforcement authority where intoxicating liquor is purchased by the minor on or about the licensed premises:

(A) The minor must be eighteen (18) or nineteen (19) years of age;

(B) The minor must have a youthful appearance. The minor must not have facial hair or a receding hairline, or wear excessive makeup or excessive jewelry, or wear headgear that will obstruct a clear view of the face or hairline. If the minor is wearing headgear or facial coverings required by law, executive order, or any official mandate from the city, county, state, or federal government, or if the business requests the minor to wear certain headgear or facial coverings, the minor shall be permitted to wear such item(s), but must temporarily remove said item(s) upon request by the seller of the intoxicating liquor so as to provide a clear view of the face and hairline;

(C) The minor must carry his or her own valid government-issued identification showing the minor’s correct date of birth and, upon request, produce such identification to the seller of the intoxicating liquor at the licensed establishment; and

the state, county, municipal, or other local law enforcement agency conducting the investigation must search the minor prior to the investigation to ensure that the minor is not in possession of any other valid or fictitious identification;

(D) The minor must answer truthfully any questions about his or her age and must not remain silent when asked questions regarding his or her age, nor misrepresent anything in order to induce a sale of intoxicating liquor;

(E) The state, county, municipal, or other local law enforcement agency must make a copy of the minor’s valid identification showing the minor’s correct date of birth;

(F) The state, county, municipal, or other local law enforcement agency conducting such investigations must videotape or audiotape any attempt by the minor to purchase intoxicating liquor in a good faith effort to record all statements made by the minor and the seller;

(G) No state, county, municipal, or other local law enforcement agency may employ minors on an incentive or quota basis;

(H) If a violation occurs, the state, county, municipal, or other local law enforcement agency must make reasonable efforts to confront the seller in a timely manner, and within forty-eight (48) hours contact or take all reasonable steps to contact the owner, manager, or managing officer of the establishment;

(I) The state, county, municipal, or other local law enforcement agency must maintain records of each visit to an establishment where a minor is used by the agency during an intoxicating liquor investigation for a period of at least one (1) year following the investigation regardless of whether a violation occurs at each investigation, and such records must, at a minimum, include the following information:

1. An Information and Consent document, completed by the minor in advance of the investigation, on the division form or a similar form approved by the division;

2. An Alcohol and Compliance Buy Checklist, signed by the minor and the peace officer responsible for reviewing the checklist with said minor, on the division form or a similar form approved by the division;

3. A photograph of the minor taken immediately prior to the investigation;

4. A copy of the minor’s valid identification, showing the minor’s correct date of birth;

5. The audiotape or videotape specified in subsection (1) (F) above; and

6. A written Minor Report on the division form or a similar form approved by the division;

(J) The state, county, municipal, or other local law enforcement agency must provide pre-recorded currency to the minor, to be used in the investigation. If a violation occurs, said agency should attempt to recover the pre-recorded funds tendered to the seller, or an amount equal thereto, and return any change tendered to the minor, and should further secure and inventory any intoxicating liquor product(s) purchased; and

(K) The state, county, municipal, or other local law enforcement agency, in advance of the investigation, must train the minor who will be used in the investigation. Training, at a minimum, must include:

1. Instruction to enter the designated establishment and to proceed immediately to attempt to purchase or be supplied with an intoxicating liquor product;

2. Instruction to provide the minor’s valid identification upon a request for identification by the seller;

3. Instruction to answer truthfully all questions about age;

4. Instruction not to lie to the seller to induce a sale of intoxicating liquor products;

5. Instruction on the use of pre-recorded currency; and
6. Instruction on the other matters set out in this regulation.

(2) Off-site Investigations. The following are standards for the use of minors in intoxicating liquor investigations by a state, county, municipal, or other local law enforcement authority where intoxicating liquor is delivered or shipped to the minor at a location other than the licensed establishment:

(A) For the purposes of this section, licensees are at all times responsible for the actions and conduct of any employees, agents, or third parties delivering or shipping intoxicating liquor on the licensee's behalf pursuant to an order by internet, telephone, mail, or any method of ordering other than in person on the licensed premises;

(B) The minor must be eighteen or nineteen years of age;

(C) The minor must have a youthful appearance. The minor must not have facial hair or a receding hairline, or wear excessive makeup or excessive jewelry, or wear headgear that will obstruct a clear view of the face or hairline.
