Are you on a
Wikipedia page,
or a WikiMedia
Commons page?

WIKIPEDIA

Click on the image,
then click "More
details" on the
bottom right hand
corner of the
image.

**SUCCESS! YOU ARE NOW ON THE
WIKIMEDIA COMMONS PAGE FOR
YOUR IMAGE.**

WIKIMEDIA COMMONS

More details

**NO/NOT
EVERYTHING I
NEED**

Scroll below the image to the
heading that says "Summary." Does
the text box contain information on
the content and context of the
image (photographer, description,
date, the institution where the image
came from)?

YES

Fantastic! Use this
information to
build your
citation.

Download the image
to your computer
using the Download
button on the right
side of the image.

Open a new browser tab and go to
<https://images.google.com/>. Drag the image you have
downloaded into the search bar, or upload the image from
your computer using the Google Lens.

Download
all sizes

YES

Look for the exact image, then click "See
Exact Matches" underneath that image.

**DID YOU FIND WHAT
YOU NEED FOR YOUR
CITATION?**

See exact matches

Explore! Look for additional information
about the image on websites and collection
pages. Look for sources with reputable
information like museums, journal articles,
and newspaper articles.

NOT EVERYTHING!

Ideally the Wikimedia Commons
page should have information in the
Summary boxes like the information
to the left. Underlined is the
information from different fields
that you can use to build a citation.

That's ok! If you can't find
information for a field
after a thorough search,
don't include that field.
