CERTIFICATE OF SUFFICIENCY OF PETITION

STATE OF MISSOURI

ss.

SECRETARY OF STATE

I, John R. Ashcroft, Secretary of State of Missouri, do hereby certify that my office has examined for compliance with the Missouri Constitution and Chapter 116, RSMo, the initiative petition submitted by Tori Schafer on behalf of Anna Fitz-James with the following official ballot title:

Do you want to amend the Missouri Constitution to:

- establish a right to make decisions about reproductive health care, including abortion and contraceptives, with any governmental interference of that right presumed invalid;
- remove Missouri's ban on abortion;
- allow regulation of reproductive health care to improve or maintain the health of the patient;
- require the government not to discriminate, in government programs, funding, and other activities, against persons providing or obtaining reproductive health care; and
- allow abortion to be restricted or banned after Fetal Viability except to protect the life or health of the woman?

State governmental entities estimate no costs or savings, but unknown impact. Local governmental entities estimate costs of at least \$51,000 annually in reduced tax revenues. Opponents estimate a potentially significant loss to state revenue.

I further certify that this petition contains a sufficient number of valid signatures to comply with the Constitution of Missouri and Chapter 116, RSMo. Therefore, this initiative petition shall be placed on the ballot at the November 5, 2024 General Election.

IN TESTIMONY WHEREOF, I hereunto set my hand and affix the seal of my office in the City of Jefferson, State of Missouri, on this 13th day of August 2024.
