

**EXECUTIVE ORDER  
24-11**

WHEREAS, article IV, section 1 of the Missouri Constitution vests the Governor with the supreme executive power of the State; and

WHEREAS, the Governor may exercise this executive power through various means, including the issuance of executive orders; and

WHEREAS, an executive order may be issued by a governor to respond to a particular consequential event, to guide policy and/or action within the executive branch, to create a board or commission, to institute a reorganization of offices or functions within the executive branch, and to direct members of the Missouri National Guard, among other reasons; and

WHEREAS, it is now common practice for executive orders to be issued with a specific date of rescission to ensure executive orders do not linger in effect unnecessarily; and

WHEREAS, there are a number of historic executive orders that remain in effect that are no longer necessary or applicable; and

WHEREAS, the Governor may rescind any executive order enacted by a previous governor; and

WHEREAS, rescinding executive orders that are no longer necessary or applicable will aid in ensuring a smaller government with less bureaucracy and more efficient and effective operations of government.

NOW, THEREFORE, I, MICHAEL L. PARSON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and laws of the State of Missouri, do hereby rescind the following 177 executive orders:
